

“Fight For Food”

Youth Service Activity

Idea: Here is a fun way for the youth to go on a scavenger hunt and collect food for families in need.

Before Activity: Split your ward boundaries into “Area’s.” When we did this, we included a map as well as names and addresses of suggested families that they could go to. Print out a point list for each team. (see attached)

Point system: All cans or dried food items would receive one point. We offered more points for certain foods that would help with holiday meals. The only thing I would change is to be a little more strict with our rules. Our rules were:

- : Must stay together as a group. (No finding another driver and splitting up.)
- : Stay in your designated area. (We did this so certain families were not hit 4 or 5 times)
- : Be back at certain time. We docked each team 5 points for every minute they were over.
- : You cannot go to the store. (Our winning team had 15 boxes of stuffing. They said it was a “Thanksgiving Miracle. I had my doubts 😊).

After they all got back, each team calculated their points and we served treats. After, we had the kids help separate all the food into baskets. We bought round laundry baskets from the dollar store. We took the fall table cloths also from the dollar store and lined the baskets. They were super cute.

FIGHT FOR FOOD SCAVENGER LIST

Canned goods.....1 point

Canned Cranberry item.....5 points

Yams.....5 points

Stuffing mix.....10 points

Olives.....5 points

Pumpkin.....5 points

French Fried Onions.....15 points

Total points earned _____

THE WINNING CLASS WILL HAVE TREATS DELIVERED TO THEM ON SUNDAY!
